RE: The **Cherry Valley Outdoor Games**, June 13-15, 2025

Supporters of the Cherry Valley Outdoor Games:

Your past support of the *Cherry Valley Outdoor Games* has enabled our event to become a regional favorite talked about year round. This June we will kick off our 8th event, but once again need your backing. Our dedicated staff and supportive community hope to have your help in continuing to provide admission free exciting and unique entertainment for a broad audience. On top of hosting a great event, our mission is to support youth sports in Cherry Valley along with providing CVSCS Junior and Senior classmen fund raising opportunities. Please look at our promotional videos featured on our Facebook Page or website, which highlight the excitement of our Professional Lumberjack competition and provide an overview of the event. We are looking forward to another successful year at the Cherry Valley Community Center and Alden Field, but cannot make it all happen without your sponsorship.

There are many ways to be involved as a sponsor or supporter of this great event. Detailed in the *Sponsorship Opportunity* outline on the next page, we advertise onsite during the event primarily with banners and announcements while giving you the opportunity to set up a display. Leading up to the event, posters, social media, t-shirts, website and TV commercials (budget permitting) are utilized to get the word out. Throughout the remainder of the year photos and videos from the event will be posted on social media and our website to highlight the 2025 happenings. Approximately 30% of our total budget is spent on advertising. This, along with word of mouth advertising from our loyal fans, works to help us achieve our goal of drawing a big crowd. Additionally, as a **501 (c) (3) nonprofit organization** it is part of our mission to provide local groups opportunities to fund raise during the event.

The *Cherry Valley Outdoor Games* will provide a variety of entertainment starting Friday evening and will run through Sunday afternoon. Our lumberjack and lumberjill competition is revered as one of the best in the nation and we expect the top athletes in the country to return as long as sufficient funding is obtained. The Outdoor Games will continue to feature a 2-day Cornhole Tournament, Multi-artist Bandstand, Car Show, as well as a variety of craft and food vendors. **BACK** and with new and motivated event organizers, both the archery shoot and the 5k will return!

Thank you for your time and consideration of our proposal. We look forward to working with you again as we launch our 8th event. The following page is a guideline for how you can get involved. If none of those options suit you, we would be happy to discuss other ideas and opportunities with you. Please call or email us for more details or if you have any questions.

Sincerely,

Cherry Valley Outdoor Games, Inc.

Nathan Waterfield
